Leap

to a higher level with Core Knowledge Preschool Professional Development

Preschool Summer Institutes

Phonological Awareness, ABCs, and More

July 18-19, 2005

Catch up on the latest research in early childhood education. Learn about phonological awareness activities and how best to teach the ABCs. Leap forward to a new level of mastery. You'll be able to identify

- Techniques for assessing phonological awareness and letter knowledge
- Literacy experiences critical to later reading success
- The building blocks for letter knowledge

Assessment and Planning to Address Children's Learning Needs

July 20-21, 2005

Learn how to assess your center, your students, and your effectiveness. This workshop and the new CK-PAT will help you

- Describe the assessment-instruction cycle
- Use direct observation skills to construct valid anecdotal records
- Employ varied assessment methods: focus questions, checklists, webs, participation charts, activity probes, portfolio collection
- Use assessment to individualize instruction

Leadership Training for Preschool Administrators

July 22, 2005

You've gotten started. Now leap to the next level. Learn how to sustain Core Knowledge and become the best director you can be (*Prerequisite: Getting Started*)

- Learn how to evaluate progress
 - Practice strategies for mentoring teachers. Make them committed Core Knowledge advocates, able to lead students to wondrous new levels of learning
 - Sharpen your skills for developing appropriate assessments and explore the CK-PAT
 - Evaluate preliminary research on the Core Knowledge preschool model and how it might apply to your school
 - Brainstorm to identify potential obstacles and possible solutions to successful implementation
- (Lunch is included in the cost of this training.)*
