

**School Name:** \_\_\_\_\_

**Workshop Date:** \_\_\_\_\_

## **K-8 Professional Development Implementation Analysis**

---

**Purpose:** To analyze the prior year's implementation, to assess what was taught and what wasn't taught, to uncover the reason for omissions, and to create a plan for improvement

**Objectives:**

- To collect data for a schoolwide needs' assessment
- To analyze and update the curriculum plan
- To develop a realistic plan of action for increasing the level of implementation

**Delivery:** Twenty percent informational and eighty percent interactive

---
